

NEW

# ESSENTIAL GREEN BEACON KITS

Introducing the new essential range of green beacon kits, suitable for all types of plant where a warning light needs to be fitted to indicate whether a seatbelt is being worn.

**3 versions available:** Flexible spigot mount, Magnetic mount with dual purpose din plug and Permanent single bolt mount.

**Kit includes:** Green LED beacon, switched seatbelt with red webbing. Note: Requires 12v relay HEL0392.

Part number	Colour	Description
HEL3005	Green	Flexible spigot mount + orange lap belt
HEL3006	Green	Magnetic mount with din plug + orange lap belt
HEL3007	Green	Permanent single bolt mount + orange lap belt
